NAJAD 411 CC

The Najad 411 is iconic to Najad

With its modern yet well-composed lines, she stands out in the Najad family. With a spacious amidships cockpit, well-adapted rounded windscreen and an overall larger appearance profile than some of our other boats, the Najad 411 has exactly the same qualities in terms of comfort, safety and performance that customers can expect from all Najad boats. Elongated flush-mounted windows along the side reinforce the long, elegant appearance and, with its well-balanced hull and excellent sailing qualities, we believe that the Najad 411's performance is every bit as good as her looks.

Inside, the layout is spacious with good-sized double cabins fore and aft and a longitudinal galley with plenty of room for cooking. The tables and saloon are easily accessible.

The Najad 411 is not only a beauty queen, she is also a very capable cruiser for the modern sailor.

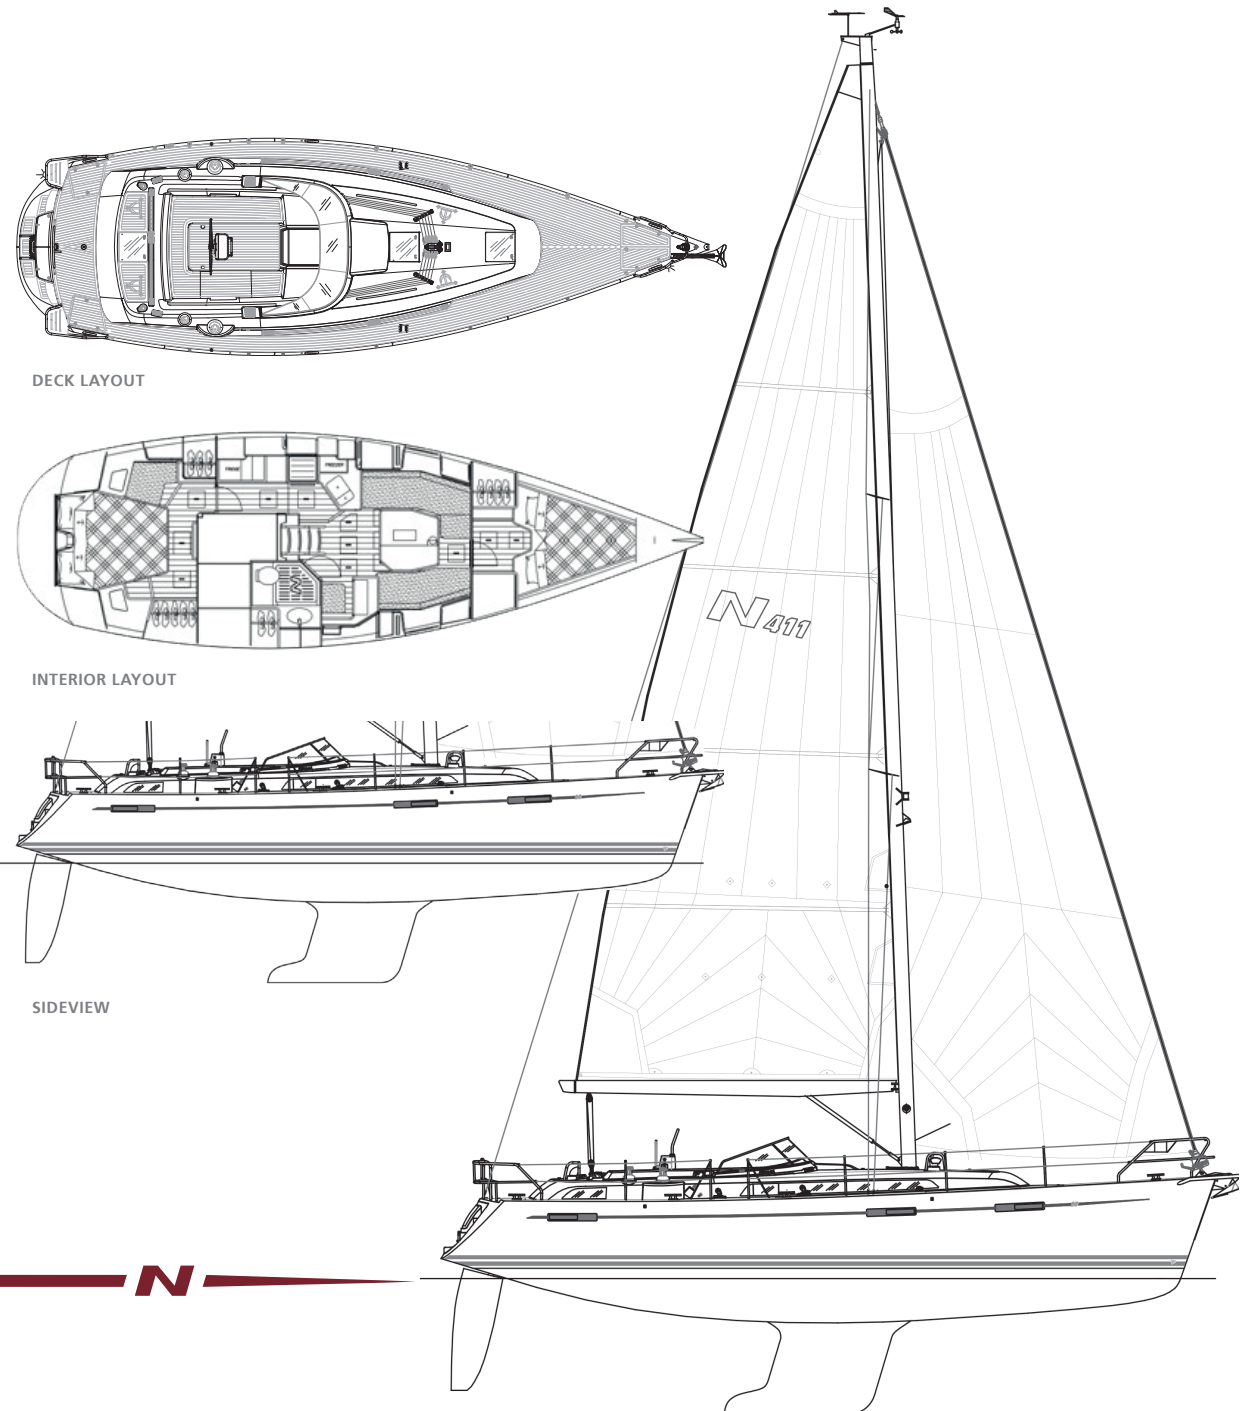

NAJAD 411 CC

Stylish and with a more contemporary look and feel about her, the Najad 411 offers a less traditional looking alternative within our range. Sporting a centre-cockpit, rounded corners and edges and a generally lower-profile look than some of our other yachts, the Najad 411 shares exactly the same qualities, in terms of comfort, safety and performance that customers can expect across all of our range. 'Refined perfection' we like to call it.
